

AWA GOLF PROTOCOL & INFORMATION – 18 Hole

Golf Etiquette

Please note that AWA is considered a "guest" of the courses we play on. We should therefore treat the staff with courtesy and respect. Singapore golf is highly regulated and appropriate dress code and golf rules apply. You should always arrive at least 30 minutes prior to your scheduled tee time and check in with the golf registration desk promptly on arrival.

- PLEASE AVOID SLOW PLAY
- Allow faster players through
- Mark scorecards at the next tee box
- Pickup your ball or play best-ball if you are holding up the group
- No excessive chatter and no talking during tee-off

Dress Code

Proper golf attire (collared shirts, soft-spike golf shoes, conservative dress code) is mandatory even on executive courses in Singapore. Hats, sunglasses, golf sleeves, sunscreen, bug spray, and dry-fit clothing are also recommended.

Handicap Cards

All AWA 18-hole golf members must possess a valid USGA, SGA or other recognized handicap card to play in Singapore. Please remember to bring your card with you every time you play.

Weather

Singapore is a very wet country! Rainout is not uncommon and most courses do not issue rainchecks. Be prepared for rain delays of up to one hour or more, especially during the rainy season. If you sign up to play golf with us, be sure to block off the entire day in case of rain delays. In cases of excessive prolonged rain, check with the coordinator to see if the courses are closed. DO NOT PLAY IN LIGHTNING STORMS.

Reminders

Please be aware that most courses in Singapore do not have beverage carts. Bring your own water or purchase it before you tee-off. Also beware of animals and insects on the courses. Book your taxi or arrange carpools in advance, and arrive in golf attire as most executive courses do not have a locker room.
